The arrangement recommended during the absence of Mr. Usher on leave are as follows:-

(1) Mr. M. G. Srinivasa Rao, Professor in the grade Rs 400-30-700 to act for Mr. Usher. (He will not get any acting allowance).

The proposals are rather peculiar. Mr Srinivasa Rao is to act in place of Mr Usher, while Mr Srikantaya is to do the duties of Mr Usher.

Mr Srinivasa Rao will get no. of allce, while Mr Srikantaya is proposed to be given, not an allce, calculated on any rule in the Leave Regn. but a consolidated pay of Rs 600 which is not

It would be simpler to ~~adopt the following~~ leave Mr Srinivasa Rao name out & order as follows:—

(1) Mr C. Srikantaya to have charge of the duties of Mr Usher, Professor, & to draw as charge allce Rs 50. (one-tenth of Rs 500)

(2). Mr Srinivasan to act as Lecturer against the vacancy of Mr Professor,

NOTE—Contn. Sheet

Submitted to His Highness.

Mr. F.L. Usher, Professor of Chemistry, Central College, Bangalore, has applied for combined leave for five months, viz, one months' privilege leave on full pay plus four months' furlough on full average salary prefixed to the long vacation of 1925, and the university authorities first proposed that the temporary vacancy during the absence of Mr. Usher may be advertised, and the selected candidate appointed to act in place of Mr. M.G. Srinivasa Rao, Professor of Organic Chemistry on Rs. 520 in grade Rs. 400 - 30 - 700, who would act for Mr. Usher. After ascertaining from the Inspector-General of Education that there was no one in the Education Department who could be selected to do Mr. Usher's work, the above proposals were generally approved and it was pointed out that under the rules Mr. Srinivasa Rao could not get any allowance for acting for Mr. Usher.

The Registrar of the University now reports that the temporary vacancy was duly advertised and applications were called for and that as none of the applicants was found suitable for the appointment, and one of the applicants refused to take up a temporary post, the university council has reconsidered the matter and recommends the following arrangement during the absence of Mr. Usher on leave:--

(1) Mr. M.G. Srinivasa Rao to act in place of Mr. Usher.

(2) Mr. C. Srikantaiya, Assistant Professor of Chemistry on Rs.240 per mensem in the grade Rs. 200 - 20 - 300 to do the duties of Mr. Usher on an allowance of Rs.60 a month.

(3) Mr. V.T. Srinivasan, B.A., B.Sc. to be appointed Lecturer on Rs.100 per mensem for five months.

9

The recommendations of the university council are rather peculiar, in-as-much as Mr. Srinivasa Rao is to act in place of Mr. Usher (with no acting allowance), while Mr. Usher's duties are proposed to be assigned to Mr. Srikantaiya, who is to be given an allowance of - Rs. 60. which is not calculated on any rule in the - Mysore Service Regulations.

It would be more correct if Mr. Srikantaiya is - placed in charge of the duties of Mr. Usher, with a - charge allowance of Rs. 50. and Mr. Srinivasan appointed Lecturer on Rs. 100. against the vacancy of - - Assistant Professor due to the employment of Mr - - Srikantaiya, on other duty.

This may be graciously sanctioned.

I beg to invite gracious reference to my Submission Note of the 6th instant on the subject of acting arrangements during the absence of Mr. Usher, Professor of Chemistry, Central College, on five months' combined leave, and to His Highness' order of the 11th idem approving the proposals submitted by me. The Registrar of the University has since written a demi-official letter stating that although Mr. M.G. Srinivasa Rao cannot under the ordinary rules get any allowance for acting in the grade Rs.500-50-1000 vice Mr. Usher, the Vice-Chancellor is strongly of opinion that in view of the extra work devolving on him owing to Mr. Usher's absence Mr. Srinivasa Rao may be given a suitable allowance. Mr. Usher and Mr. Srinivasa Rao are Professors of Chemistry in the Central College, the former being responsible for one Branch (Inorganic) and the latter for another Branch (Organic); but Mr. Usher being the senior of the two has general responsibility for the whole work of the Chemistry Department. When Mr. Usher goes on leave this general responsibility will fall on Mr. Srinivasa Rao.

FROM

SUBRAHMANYA IYER, Esq., B.A.,
Registrar, Mysore University,

To

K.Matthan, Esq., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I am directed to state that the Principal, Central College, Bangalore having forwarded with his letter No.5, dated the 1st July 1924, a letter dated the 1st July 1924, from Professor Usher, applying for combined leave for 5 months viz. one month's privilege leave on full pay plus four months' furlough on full average salary prefixed to the long vacation of 1925 and suggesting also certain acting arrangement during his absence (Vide copies of the letters enclosed for information), I am directed to state that the question was considered by the University Council at their Meeting held on the 19th July 1924 when it was resolved(i) that the leave be recommended to Government and (ii) that the temporary vacancy during the absence of Mr.Usher on leave be advertised, pay from Rs.200 to 250 according to qualifications and the selected candidate be appointed to act in place of Mr.M.G.Srinivasa Rao who will act for Mr.Usher.

A copy of extract from the Proceedings of the University Council is enclosed for kind information.

Mr.Usher will be entitled to one months privilege leave plus seven months' furlough on full average salary on 1st November 1924 as per Comptroller's leave certificate No.155, dated 14th July 1924 on his behalf enclosed herewith in original for information.

I am to request that you will be so good as to obtain kind sanction of Government early to the grant of 5 months' combined leave out of India to Mr.Usher from about the end of October 1924 prefixed to the long vacation of 1925 and to the acting arrangements above recommended during the period of combined leave.

Necessary action will be taken to advertise the temporary vacancy and invite applications.

I have the honour to be,

Sir,

Your most obedient servant,

Registrar.

HH.

Letter No.5, dated the 1st July 1924, from the Principal, Central College, Bangalore, to the Registrar, Mysore, University, Mysore.

I have the honour to forward for favourable consideration an application by Professor Usher for leave out of India.

Professor Usher's letter contains a suggestion for a temporary arrangement for carrying on his work during his absence. I understand that the gentleman whom he recommends for temporary appointment has been in charge of the Chemistry department of a College affiliated to the University of Madras, and is presumably a teacher recognised as competent for that post by the University of Madras. He is also, I believe, the author of several papers on original research in Chemistry. Under these circumstances the fact that he is not a University graduate may not be considered as disqualifying him for the proposed acting appointment. As Mr.Usher points out, this gentleman's services could probably be secured on very favourable terms.

Letter dated 1st July 1924, from Mr.F.L.Usher, B.Sc., Professor, of Chemistry, Central College, Bangalore to the Registrar, Mysore University, Mysore.

I have the honour to apply for the grant of five months combined leave out of India at the end of October, viz., one month's privilege leave on full pay and four months' furlough on average salary, prefixed to the long vacation of 1925.

With regard to the arrangements for the conduct of work during my absence, I would recommend the temporary appointment of Mr.Y.Venkataramaiah, lately Professor of Chemistry in Maharaja's College, Vizianagaram. Mr.Venkataramaiah, not being

being a graduate, presumably could not be entertained as a permanent officer, but I imagine there would be no objection on this score to his holding a purely temporary appointment. He is in my opinion well qualified for acting in this capacity, having been in charge of the laboratory at Vizianagaram and produced some excellent original work. Since he will be proceeding to England in about a year's time he can only accept a temporary appointment and will probably be prepared to accept a comparatively low rate of pay.

8th August 1924.

My dear Matthan,

Your letter No. 320 dated the 5th August about Chemistry teachers.

I was present at the meeting of the University Council when the subject was discussed and the idea struck me as to whether the men in High Schools might not be taken for the place. But on further consideration I thought that they would not be fit for lecturing to the B.A. & B.Sc. classes, and I did not, therefore, mention the matter in the Council Meeting and assented to the resolution that was framed.

On going through the list of teachers in the Department, I have to say that the senior teachers are graduates of the old type, and the men of the new type - most of them - are junior to the Assistant Professors, lecturers, and teachers in the Central College. I do not really think that any of them would be fit to do Mr. Usher's work with any degree of satisfaction. The University have been asking me to spare the services of two of the senior among the younger men for places of tutors and lecturers in Chemistry, and it is these men that would have to be thought of in the vacancy referred to which would be absurd. It seems to me that the places might be advertised as suggested by the University and it may be left to any man in the Department to apply so that his claims might be considered on the merits.

Yours sincerely,

C S Balasundaram Iyengar

Dear Sir,

I am desired to invite your kind reference to this Office letter No.3518, dated the 26th September 1924, regarding the acting arrangement during the absence of Mr.F.L.Usher, Professor of Chemistry, Central College on leave.

As Mr.Srinivasa Rao's present pay is Rs.520/- in grade 400-50-700 he cannot get, under the ordinary rules, any allowance for acting in the higher grade. In view of the extra work devolved on him, the Vice-Chancellor is strongly of opinion that Mr.M.G. srinivasa Rao who is recommended for acting in place of Mr.Usher, may be given a suitable allowance during the period he acts in the higher grade, in accordance with previous precedents. Mr.B.M. Srikantiah of the Maharaja's College was given such an allowance as a special case in connection with Mr.Mackintosh's leave.

I am to request you kindly to obtain kind sanction of Government to the grant of a suitable allowance to Mr.Srinivasa Rao.

A copy of extract from the Proceedings of the University Council at their meeting held on the 20th September 1924 is enclosed for information.

Yours sincerely,

K.Matthan, Esq., B.A.,
